

Twin Cities International School (TCIS)

Mission:	Twin Cities International Schools will prepare all students for future success in both school and life. With a rigorous standards-based curriculum that challenges every student, we hold our community to high expectations in the pursuit of excellence. We help our students persevere and overcome obstacles that may get in their way. Through involvement in the community our students develop the character traits needed to become active and engaged citizens who will be ready to meet dynamic global challenges.
Vision	Twin Cities International Schools (TCIS) recognizes that all children are unique and bring their special qualities with them as students. We welcome and value students from all cultures and embrace the background, skills, knowledge and creativity each brings, while allowing them to retain their unique cultural heritage. TCIS works as a community to provide a safe, supportive, engaging and collaborative learning environment. Working together with students, parents, teachers and staff, TCIS prepares students for a lifelong love of learning and academic success.
Program focus:	TCIS is committed to preparing students for successful and productive lives as United States citizens while supporting them to retain their unique cultural heritage.
